

Celebratory Gift

Give a unique gift to someone special by recognising a birthday, wedding, anniversary or any other occasion by supporting the work of ICEE – giving sight today and developing eye care for tomorrow....

Many people feel that they have all they need right now. So a popular way to raise money is to hold a celebration and have the guests donate instead of buying you gifts. Be it Christmas or a birthday or an anniversary, all occasions are welcome.

If you are interested in donating in lieu of gifts we can organize brochures to go with your invitations or discuss your personal needs, simply contact us.

To make a Celebratory Gift

The following three details are required:

1. Your name and address [so that we can provide you with a receipt];
2. The name and address of the person who is being honoured [so that we can provide you with a certificate if requested];
3. The nature of the celebration (birthday, wedding, anniversary) [so that we can appropriately recognise the person being honoured]

If you would like to make a Celebratory Gift simply download and complete our Celebratory Gift form or contact us to discuss further.
